IV. Background Factual Allegations

7. On or about June 2002 to May 2016, Plaintiff and Defendants entered into annual agreements from June to May, whereby Defendants agreed to purchase and remove Plaintiff's scrap metal from Plaintiff's premises and in exchange for the scrap metal, Defendants would pay Plaintiff per gross ton of scrap metal.
8. On or about June 1, 2016 to January 2017, Plaintiff and Defendants entered into monthly agreements, whereby Defendants agreed to purchase and remove Plaintiff's scrap metal from Plaintiff's premises and in exchange for the scrap metal, Defendants would pay Plaintiff per gross ton of scrap metal.
9. Each month Defendants would provide Plaintiff with a purchase order offering to purchase several types of scrap metal from Plaintiff with the price based on the American Metal Market price at the time of the purchase order.

10. Defendants' submission of the purchase order to the Plaintiff was the offer to purchase the scrap metal.
11. Plaintiff's permission to remove the scrap metal was the acceptance of Defendants' offer.
12. Defendants agreed to purchase Plaintiff's scrap metal from Plaintiff's place of business, weigh it prior to departure, transport the scrap metal to Greco Company's facility in Ohio and then pay Plaintiff per gross ton.
13. Defendants maintained heavy equipment and employed staff at Plaintiff's place of business for the purpose of removing the scrap metal it had purchased.
14. Plaintiff would submit detailed invoices to Defendants to reflect the amount Defendants owed, copies of which are attached hereto.
15. The invoices detailed the date the scrap metal was removed from Plaintiff's premises, the description of the scrap metal, the gross tonnage, the price per gross ton and the amounts due.
16. Although repeated demands were made, Defendants have failed to pay for the scrap metal they removed and took possession of from Plaintiff.
17. Defendants accepted all invoices and never disputed or disagreed with the amounts due and owing.

WHEREFORE, Plaintiff demands judgment against both Defendants, for an amount in excess of \$1,221,285.37, and such other and further relief as may be just, proper and allowable, including attorneys fees, pre-judgment and post-judgment interest and the costs of this suit.
